New York State Deferred Compensation Plan

Memorandum of Understanding

Page 3 of 4

Welcome to the New York State Deferred Compensation Plan. The Plan is a voluntary, long-term retirement savings program designed for your retirement needs. The amount you contribute to the Plan is deducted from your pay and any investment returns grow on a tax-deferred basis.

Contributions to the Plan:

The minimum contribution to the Plan is 1% of your gross pay (at least \$10 per pay period). The maximum contribution you may make in 2023 is \$22,500. If you are at least age 50 prior to the end of the current calendar year, you are eligible to contribute a maximum of \$30,000. If you are within three years of the date that you are able to retire without a reduction in pension benefits, you may be eligible to make additional contributions. Contact an Account Executive or HELPLINE Representative at 1-800-422-8463 for more information and the forms to use the higher limits.

Pre-Tax Deferrals:

The amount you contribute to the Plan will be deducted from your pay on a pre-tax basis for federal and New York State income tax purposes, thereby reducing your taxable income for the calendar year. The investment returns also grow on a tax-deferred basis and income taxes are paid only when money is withdrawn from the Plan.

Roth Contributions:

These deductions are made from your pay on an after-tax basis. Contributions grow tax-deferred, but when money is distributed from the Plan, qualifying distributions are not subject to federal or New York State income taxes.

Processing Time Frame:

Enrollments are processed upon receipt; however, federal law states that deferrals may not begin before the start of the next calendar month, unless you make your election prior to your first day of service. You may change or cancel your deferral amount at any time, but these changes may also be subject to these timing limits.

Next Steps

Please read the bullets below to understand the basics of the Plan and then complete your application

I understand that:

- 1. Withdrawals from the Plan may be taken only upon separation from employment, absence due to qualified military service, death, an unforeseeable financial emergency, attainment of age 59½, from an account that has been in inactive status for two years and has a balance of \$5,000 or less (inclusive of any outstanding loan balance but exclusive of assets in a rollover account) or as a loan.
- 2. Participation in the Plan is not intended to replace a regular savings program necessary to cover day-to-day unanticipated financial expenses. Plan distributions for "Unforeseeable Financial Emergencies" are strictly regulated by federal laws. Should I need an unforeseeable emergency distribution, the request must be made in writing and detail the circumstances supporting the financial emergency. If my request is denied, I may appeal to the Review Committee.
- I may enroll in the Plan for the purpose of transferring assets from another 457(b) deferred compensation plan, a 403(b), 401(k), 401(a), Keogh plan, a traditional or rollover IRA without becoming an active participant.
- 4. Unless I have opted for a paper statement, I will receive an email notification when my quarterly statement, Quarterly newsletter and investment performance report are available on the Website. Please call the HELPLINE promptly with any changes.
- 5. If my employer has opted to allow Roth contributions, contributions to the Roth account may not be reclassified after made. The investment allocation for Roth contributions will be the same as for any pre-tax deferrals. Distributions of Roth contributions must meet the same withdrawal requirements as pre-tax withdrawals.
- 6. There is an administrative fee deducted from my Plan account on a semi-annual basis as outlined in the Plan's Investment Options Guide. These fees are subject to change.

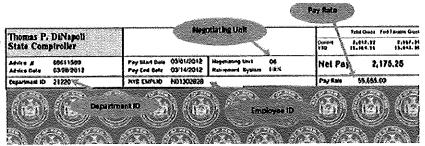

Information relating to the Plan or a copy of the Plan Document may be obtained by calling the HELPLINE at 1-800-422-8463 or visiting the Plan's Web site at www.nysdcp.com.

Tips for Completing the Application

State Employees

If you are employed by a State Agency, please see the screen shot below to assist you with identifying the information necessary to complete the application.

This application will require you to include your five-digit Department ID, which is located on the upper left corner of your pay stub, and your NYS Employee ID that is listed next to the Department ID. If you do not have this information, your application cannot be processed.

Local Employees

If you are employed by a city, town, or library system that contains its own payroll department, the application requires your Local Plan ID. This six-digit number can be obtained by contacting your payroll department or our HELPLINE at 1-800-422-8463.

Deferral Information

State Employees

When entering your deferral amount, you must provide a percentage of your gross pay. This percentage must be a whole number. If you need assistance calculating a percentage for your deferral, please contact our HELPLINE at 1-800-422-8463.

Local Employees

Before completing your application, please check with your employer or our HELPLINE to find out if your employer requires deferrals to be entered as a dollar amount or as a percentage.

Please note that if you elect a deferral rate of 100%, you are authorizing the Plan to deduct the remaining balance of your paycheck after all other required pre-tax deductions have been taken. If you are electing this deferral percentage for a lump sum payment to the Plan, it is important to contact the HELPLINE with the exact date of the lump sum payment.
